In this connection I wish to inform all that TWFI is not receiving any grants in aid or financial assistance for holding the National Championships from the Ministry since the last three years and also there is no sponsorship for holding the Tug of War Game National Championships. The main reason for reducing the weight categories in competitions is the problem of increased expenditure for holding the National Championships due.

The other reasons are:

- i) Increased participations. : More than 500 sportspersons need to get accommodation arrangements which is now not possible in many metro city/rural areas in our country where we hold the events.
- ii) Great difficulty for sportspersons to travel by trains due to non available of rail reservation.
- iii) Rubber mats not available in many city or every centre .
- iv) In Beach competitions : Non availability of sandy surface sports ground and The hotel accommodation , food & transport arrangements are very costly at the original beach site .

You are requested to submit your expression of interest /suggestion to the under signed before 30th April, 2018 by email tugofwarfederationofindia@gmail.com & CC to sportssports2003@yahoo.co.in.
