We kindly request all concerned TWFI Units to adhere to the revised fee structure and communicate this information to the relevant stakeholders. It is important to note that the funds generated from these fees will be utilized to support the organization of the National Championships and further promote Tug of War Sports in India.

We also encourage TWFI and all participants to explore additional avenues for financial support, such as seeking sponsorships and partnerships, in order to alleviate the financial burden and ensure the long-term sustainability of the sport.

Thank you for your understanding and cooperation. We appreciate your continued support in the development and promotion of Tug of War Sports.
